File No. ICTM/IOCB/Administration/2019-20/04

Date: 25<sup>th</sup> April 2020

**NOTIFICATION**

Considering spread of COVID-19 and extension of Lock Down period, following decisions have been taken during the meeting of ICT-IOCB faculty held on 23th April, 2020.

1. All classes and continuous assessment tests for the ongoing trimester will be concluded by 30th April 2020 through online mode. Faculty will ensure that requisite study material is made available to the students keeping it in mind that few students may have left their notes and books in hostel before travelling to their hometown during the lockdown period.
2. Decision on final exam for ongoing term will be finalized after guidelines are issued by UGC/AICTE in this regard.
3. In the view of COVID-19, it is not possible for students to travel for industrial/research internship in upcoming trimester.
4. May-August trimester will commence from 18<sup>th</sup> May 2020. It will be an academic term (with classes conducted through online mode) for all 122 students of Integrated M.Tech in Chemical Engineering programme. The details of the trimester are as follows:

A) 60 students of 2018-23 batch (Both Batch A and Batch B)- Term 4 academic

B) 31 students of 2019-24 batch (Batch A)- Term 2 academic

C) 31 students of 2019-24 batch (Batch B)- Term 3 academic

Timetable for online classes to be conducted until the institute reopens for these terms is attached herewith.
